Travlix

Best Software Solutions for Travel & Fintech

Azam Hi-tech Services Private Limited
GST-21AAUCA5684R1ZR
CIN-U749990R2020PTC035175

Who We Are ?

We are a leading software development company that specializes in providing a range of travel and fintech software solutions. We offer travel software for flight booking, hotel booking, bus booking, and tour package management. We also offer fintech software for UPI Payment Gateway, AEPS, Money transfer, UPI, Micro ATM, Aadhar Pay, PanCard and recharge software for recharge and bill payments.

We want to make a **positive impact** on the world of business.

Our Mission is to perform and deliver excellent quality service to our Travel agents and associates empowering them to step efficiently, reliably and safely towards success. And making them capable to run their Travel Venture practically from anywhere on earth.
